

Fundamental Purpose Agreement

Fundamental Purpose

The purpose of the EasyLiving Home^{cm} Texas certification program is to promote the building of homes with features that make a home more livable for all homeowners and their visitors. As a builder participant, you agree to uphold these fundamental principles in all your actions associated with the EasyLiving Home^{cm} Texas program as follows.

Builders in the EasyLiving Home^{cm} Texas program agree that their homes will include at a minimum the following features:

Easy Access with a step-free entrance of not more than ½ inch from a driveway, sidewalk, or other firm surface onto the main floor of the home.

Easy Passage throughout the home because the exterior door that provides the step-free entrance and EVERY interior passage door on the main level (including bathrooms) must be at least 32 inches of clear passage space.

Easy Use because the main floor includes a kitchen, an entertainment area, a bedroom, and at least one full bathroom with sufficient maneuvering space.

All advertising, marketing, displaying of materials, or similar activities will promote an EasyLiving Home^{cm} Texas as a home for everyone rather than a specialty home for people with disabilities or older adults.

Registration Fee

The registration fee of \$150 includes membership, builder manual, link on website, inclusion on member builder list, and certification of two (2) homes. Each additional home certification cost is negotiable with a maximum of \$100 per home. Cost will be based on various factors including, but not limited to, number of homes on site, travel mileage, time period between certifications.

Remittance is due with this enrollment form. Please make all checks payable to ILRU and mail to: **ILRU at TIRR, 2323 South Shepherd, Suite 1000, Houston, Texas 77019**
